SCOUTING PROGRAMS

- ◆ Horticulture and Gardening
 - ◆ Plant Science
- ◆ Field Botany (including tree ID)
 - ◆ Soil and Water Conservation
- ◆ Georgia's Native People and Indian Lore

Special scout programs are designed for scouts to earn a badge, participate in an elective or engage in a similar activity for their scout level. Activities are targeted for Cub Scouts, Webelos, Boy Scouts, Brownies, and Jr. Girl Scouts. Scouts attend with their den or troop and scout leaders are required to stay with their scouts.

Horticulture and environmental education programs are presented in cooperation with the Cherokee Master Gardeners. Programs average 2 hours in length and can be scheduled for a Tuesday or Thursday at 3:00 p.m., with an option to schedule on Saturdays at 10 a.m.

**Reservations must be made three weeks in advance.
The program fee is \$5 per scout with a \$35 minimum.**
